PiperAlderman

Legal leadership, delivered differently.

Flexible senior legal support to navigate regulation, launch products and build lasting legal capability.

YOUR CHALLENGE

Does your legal support match your business needs?

PRODUCTS & REGULATION

- Unsure which Australian regulatory requirements apply?
- Need legal input before developing or adopting a product?

CONTRACTS & PROJECTS

- Recurring contracts slowing your team down?
- A major project stretching your legal capacity?

SENIOR LEGAL SUPPORT

- A gap in legal support during leave or recruitment?
- Growing legal demands without senior in-house support?

OUR APPROACH

The support you need, the way you need it.

PRACTICAL

Advice designed to be put into action.

COMMERCIAL

Legal support grounded in business realities.

EMBEDDED

Senior expertise that works alongside your team.

FLEXIBLE

Support that scales around your needs.

WHY WORK WITH US

Deep sector knowledge. Real-world experience.

WHO WE SUPPORT

Fintechs, businesses developing or adopting crypto and technology products, and international businesses entering Australia. We support established legal teams and businesses building internal capability.

EXPERIENCE FROM THE INSIDE

Led by Katrina Sharman, Executive Counsel, with more than 20 years' experience across private practice and senior in-house legal and compliance roles in Australia and the United States.

Services shaped around your business.

LEGAL FOUNDATIONS AND GROWTH

We review your company's overall legal and regulatory position, identify key risks and gaps, and agree a prioritised roadmap to strengthen its legal foundations and support its business plans.

PRODUCT COUNSEL ON DEMAND

We work alongside product and commercial teams, bringing legal input into design and development so regulatory requirements inform decisions before launch and throughout ongoing operations.

FRACTIONAL GC & LEGAL TRIAGE

We provide ongoing senior legal support alongside your team, developing an understanding of your business and risk appetite that informs decisions and helps strengthen internal legal capability.

CONTRACTS & LEGAL OPERATIONS

We develop contracts, templates and practical guidance to help your team manage recurring matters efficiently and identify issues that need legal input.

SPECIAL PROJECTS

We support defined projects, including AML/CTF reform, CARF and related crypto-asset reporting compliance, with implementation plans and updates to programs, customer due diligence, policies and procedures.

INTERIM LEGAL SUPPORT

We provide experienced legal cover during leave, recruitment or periods of increased demand, to help maintain continuity for your business.

Engagement options

We agree a **fixed fee** for defined projects or a **recurring fee or retainer** for ongoing support. Scope, inclusions and fees are clear from the outset. Additional work, including specialist advice from across Piper Alderman, is scoped and agreed separately where required.
